Important Account Notices

Notice of Withdrawals

We reserve the right to require 24 hours' notice from you for withdrawals.

Hold Funds Policy

When you make a deposit to your account, at a branch or through an HSBC ATM or other method, we may hold some or all of the amount. If your deposit is subject to a hold, the full amount of the deposit will be reflected in your account balance right away. However, your ability to access those funds will be restricted. You cannot withdraw the funds we hold, and we will not use these funds to pay cheques or pre-authorized debits until the hold period ends. Our hold funds policy is applied on a customer by customer basis.

Deposit Type	Deposit Method	Deposit Amount	Maximum Hold Period*
Cheques or instruments issued in Canadian dollars and drawn on a financial institution's branch in Canada	In-branch with an HSBC employee or HSBC ATM or other method	Any Amount	4 business days
Cheques or instruments issued in US dollars or other foreign currency (whether drawn on a financial institution's branch in Canada or outside Canada)	In-branch with an HSBC employee or HSBC ATM or other method	Any Amount	30 business days (to allow for clearing and international settlement)

* If the deposit is made on a business day before 6:00 PM PT/9:00 PM ET, then the maximum hold period commences on that day. If the deposit is made on a business day after 6:00 PM PT/9:00 PM ET or on a non-business day, then the maximum hold period commences on the next business day. Business days do not include Saturday, Sunday or statutory holidays. The maximum hold period is based on the item being deposited meeting HSBC's criteria, and may be extended if such criteria are not met, if we need to investigate a cheque, or due to situations beyond our control such as a system outage or natural catastrophe.

After the expiry of the hold period, you may access the funds. However, our release of the funds to you does not mean that the cheque or other instrument cannot be returned for another reason. If it is returned after the hold period, we may charge the amount of the cheque or other instrument to your account.

ATM deposits are treated the same whether they are cash, cheques or other types of payment. All deposits made at an ATM follow our hold funds policy.

Refer to <https://www.hsbc.ca/bank-with-us/policies/> for more details.
